

THE EVIDENCE OF FAITH

“Faith is the...evidence of things not seen” (Hebrews 11:1). That does not mean faith is blind. It means faith enables us to see what those without faith can't see. Those without faith are the ones who are blind. Jesus said, “For judgment I have come into this world, that those who do not see may see, and that those who see may be made blind...” (John 9:39). Faith in God and His Son requires spiritual sight which we call faith. Faith sees beyond the physical universe to its spiritual cause. Before there was a material universe there was a Spiritual Being who created it out of nothing. “For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made...” (Romans 1:20). Man was created for earth to worship the God who created a universe so huge we can never discover it all. Kevin Hartnett said, “Tis there – Beyond the reach of earth – That ever draws my heart away... To wonder at the universe; To think, to watch; To dream, to pray.” Faith enables us to know the God who created it all.
