Dear Friends and Supporters of Higher Ground:

---

**VILLAGE REPORT:**

*Higher Ground Bible Ministries*

*Dear Madam: I am Salome Wambui Gitau, Pastor of Abundant Grace Church.*

*I have attended and completed all the lessons and exams provided by HGBM organization.*

*HGBM has greatly assisted me in analyzing the whole Bible at large and given me the knowledge to understand it and translate it in the best manner. I have been able to carry this out during my free time that has never in any way interfered with my day to day programs*

*It's my great honor to appreciate HGBM. I wait for my graduation and honor to serve the people.*

*Thank you and God bless you HGBM.*

*Yours,*

*Pastor Salome*

**HOME REPORT:** I am sorry for the delay in this letter. I have been dealing with one physical problem after another for a few weeks. I did not have energy to leave the house. Tuesday Joyce and I went to the post office. Upon returning home a man named Jim waved me to stop. I have witnessed to him several times, inviting him to Bible study. He looked worried, and his request seemed urgent. I got out of the car to hear him say, "I need you to help me get born?" I knew what he meant. I presented the Gospel to him again and led him in prayer to receive Jesus Christ as his Savior and Lord. The good seed of the Gospel fell on good soil (Matthew 13:23).

**PRISON REPORT:** Five chaplains in Kenya began taking HGBM courses. 15 inmates made professions of faith in Christ. A record of 40 inmates are ready for graduation. In Uganda 10 inmates professed faith in Christ.

**VILLAGE REPORT:** Students are requesting a graduation service. The sidebar to your left is a report from a woman who recently completed her coursework.

**PRAYER REQUESTS:**

1. God's will regarding the expansion of HGBM into Tanzania.
2. God's will regarding a trip to Kenya for graduation services, chaplain retreat and Pastor's Conference.
3. For me to regain my physical health and strength. This has caused a delay in taking HGBM to You Tube and other video platforms. The program will be called *The Bible From Start to Finish*. Thanks for partnering with us in reaching the world with the Gospel. We are able to do what we do because you send us and support us.
