Dear Friends and Partners of Higher Ground:

I want to thank you for your generous gifts for the purchase of an evangelistic transportation in the Philippines. Rizty and Nenita will be purchasing the vehicle once they get their new semester started in the Bible College. The total amount given for this purpose is \$5,000. This will be a great help to them and the students they train for evangelism.

I have two prayer requests:

1. I will be having surgery tomorrow to take care of an infection in my body that won't seem to go away. Combined with several bouts of gout and other physical problems I have been unable to begin "The Bible from Start to Finish" on You Tube. There have been times I haven't been able to get out of the house or even walk. The doctor says my general health is good, but I have to have an implant removed that seems to be causing the infection. I have been in a lot of pain, but somehow able to continue studying, writing, and teaching. I believe this is a spiritual battle more than anything.

2. Higher Ground prison ministry is in need of Bibles. Many of the new Christians (if not most) do not have one. Bibles are needed before the HGBM lessons can be

started. Jefferson has requested \$2400. So far about \$650 has come in.

Thank you for your faithful support. Higher Ground would not exist without you.

Sincerely,

Harold & Joyce Anderson
