Dear Friends of Higher Ground:

*The launching of Higher Ground into the remaining prisons*

As I write this letter, I am grateful for your partnership with Higher Ground Ministries in sending materials into the prisons of East Africa. Because of your prayers and generosity, the Kenya Federal Prison system is now covered with the Gospel. We are in the process of training chaplain assistants in all the Kenya federal prisons. Jefferson has reported 420 students, 80 officers, in 122 prisons. By the end of the year or sooner, we expect to have a presence in all 148 federal prisons. Lives are being changed. People are being saved. Prisoners are being trained to minister while they are in prison.

*Chaplains receiving their Higher Ground materials*

Uganda is also doing well with Pastor Musa. That is new, and we will soon be expanding that ministry to more prisons.

Sarah Kariuki reports more requests in the villages from men and women who want Bible training to serve in local churches and communities. With the presence of a dangerous cult, there has been a sharp increase of requests for enrollment in our courses. One pastor has 20 members of his church studying HGBM lessons.

I have had a request for more Bibles for Kenya and Uganda prisons. People who take Higher

Ground courses need a Bible for their studies. Prisoners usually do not have one.

Our Alaska outreach at the Wasilla Farmers Market has been fruitful. We have won three people to Christ our last three times there. We have a sign that says, "May we pray for you?" That brings people to our table for all kinds of requests. One lady had surgery for cancer and was told by her doctor that she may have to undergo another surgery. She asked

Please pray for the following:

- (1) The growth of our Wasilla Bible study.
- (2) More Bibles for East Africa.
- (3) HGBM chaplain training in the remaining 26 Kenya prisons.

*for prayer that she wouldn't have to repeat the unpleasant ordeal. We no sooner said, "Amen" when her phone rang. It was her doctor informing her that further surgery would not be necessary. It is nothing short of amazing to see people bow their heads and receive Christ as others walk by. People stop by our table and give money for the Kenya ministry, wanting nothing in return.*

Please send gifts to:

**HIGHER GROUND  
PO BOX 874388,  
WASILLA, AK 99687**

Thank you so much for your prayers and offerings.

Harold & Joyce Anderson

Higher Ground Bible Ministry

*"The Lord gave the word; great was the company of those who proclaimed it." Psalms 68:11*
