Friends of Higher Ground Bible Ministry:

Regarding the prison ministry, I am glad to report that 28 souls were won to Christ in Kenya and 30 souls were won to Christ in Uganda last quarter. The three evangelists who take the Gospel into the men's prisons are Jefferson, Kenneth and Joyce. They have been faithful in preaching the Gospel in the Kenya prisons for many years. Jefferson has been active since about 2007. Kenneth came aboard about 2010. Joyce takes the Gospel into the women's prisons.

Sarah Kariuki has been with Higher Ground since 2005. She is responsible for HGBM in the villages. Sarah reports there are about 50 students who have completed all the lessons and are awaiting graduation. Below is a picture of the seven pastoral students in Gilgal. They have just enrolled in the Theology classes.

Thank you for responding to the need for an evangelistic vehicle in the Philippines. The money has been sent. Rizty and Nenita will notify me when it is purchased. I will send a picture.

Our Kenya prison ministry needs to purchase more Bibles for the students. We supply Bibles as well as study materials for 148 prisons in Kenya alone. We are asking the Lord for a total of \$2,000 to cover both. Please pray for this need.

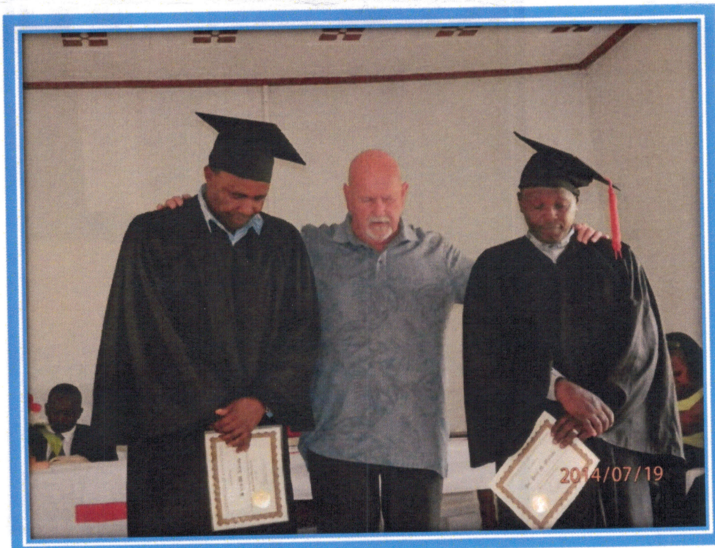

Thank you for your partnership with HGBM.
